Remarks

This N. Tacoma gem was lovingly lived in by one owner for the last 47 years. It is in a fantastic neighborhood off of N. Proctor and 6th Ave. This is a walker's paradise with a walk score of 82. You will find shopping, restaurants, entertainment, etc... all nearby on foot. This home has a unique long lasting copper roof that is a stand out. There is a 3-4 car garage/shop off the alley that is 1008 square feet! Such a rarity to find this in the area. Could be a great potential to turn it into additional living space? This home has an extra large living room with built ins and a gas fireplace. There is a huge gourmet kitchen that is beautifully updated and any chef would die for. The updated main level bathroom has a beautiful tile tub surround. In the upper primary suite, there is new carpet and a new bathroom vanity. The seller has done a lot of projects but there is still plenty here waiting for your personalization. Who will be the next lucky owner?
